From the Chairman...

Dear Friends and Members:

December already! As we catch our breath before submerging in the torrent of holiday events that seem to lie in wait in the weeks ahead, it's nice to take a brief look back over our shoulders, and appreciate some of the highlights of this rather unusual year. I say "unusual", because in addition to our regular céilís, the Parade, weekly dance classes and the North American convention, all of which we enjoy on a regular basis, there were a number of special events this year that really set it apart, including:

Back in March, our branch had the good fortune to work with Anne Hickey in the planning and co-sponsorship of a reunion of the Irish community at the Knights of the Red Branch hall, based on her book "The Ballroom of Romance". The evening was a great success, and I felt privileged to learn so much about the community in those earlier days.

The biggest news/event for many of us, the milestone which serves to literally mark an era in our branch, was the departure of Jim Belcher for points north. In fitting fashion, our send-off for Jim and his family was one of the finest céilís I can recall. We were fortunate that he was able to dance with us a few extra months, and we will soon find out just how well we've been paying attention to all his fine teaching

over the years! [Jim has generously contributed a short "letter" to our membership in this issue – please check the "year end" insert.]

By the end of August, we successfully held our first Music Workshop afternoon at the UICC, at which some 80 people participated in 15 different music and singing workshops. In addition to critical contributions from musicians in our group, it gave us a chance to meet many more people around the Bay Area interested in learning and playing traditional music. And we all learned a bit more about hosting such an event, too – the next one will be even better!

Which of course raises the obvious question: *what will the next year bring?*

At the beginning of this year, as I was just starting as Chairman, I raised a very similar question, and suggested that while we may be a group with strong traditions, there was a wide variety of activities we could take on. The level of energy and enthusiasm that our members brought to many of the successful events this year makes it even clearer to me that there are few limits to what we can undertake. Now we approach a new year, and I hope many of you will continue to support whichever activities you most appreciate, and will keep an eye out for new opportunities to share the culture.

Slán,
Michael R.

Our **SLOW SESSIONS** are intended for beginners who are *learning to play traditional Irish tunes*. These are usually held twice each month at Ireland's 32 pub (3920 Geary Boulevard, S.F., between 3rd and 4th Avenues). This month they will be on **MONDAY, December 9th** and **December 30th** starting at 7:30 p.m.

Those same evenings, starting at 9:00 PM, more experienced musicians are encouraged to join in on the faster paced, more **TRADITIONAL SESSION** which follows. All are welcome to come listen as well! The next **Song and Storytelling Session** will be on **Saturday, December 7th** at 8 p.m. at **Charlotte MacDonald's** (1474 20th Ave., S.F.). Call 415-664-8560 for directions.

CCÉ DANCING

On the **first Thursday** of every month from 8 to 11 p.m., we meet for **SET DANCING** to **LIVE MUSIC** provided by the **Shannon Céilí Band** at the **Plough and Stars** pub on Clement Street between 2nd and 3rd Avenues in San Francisco.

On **the other Thursdays**, we gather for **SET DANCING LESSONS** that are free to members, from **7:30 to 9:30 p.m.** at the **Sunset Recreation Center** (on Lawton Street between 28th and 29th avenues). Usually, this is followed by a trek out to the Plough and Stars for more set dancing to the inspiring sounds of Tipsy House!

*Ever have the nagging feeling that you've forgotten to do something? Maybe it's that you have forgotten to **renew your CCE membership** for 2003! Do so now to continue receiving the Treoir on time...*
