- FROM THE CHAIRMAN...

Dear Friends and Members,

Lots of "content" to the Scéal this month, so I'll try to keep my part a bit shorter! This includes an installment from our front lines correspondent at the Convention, and a special questionnaire for those who have attended a recent CCE Convention. The motivation? Well, it seems there is a growing movement (both amongst ourselves, and from some at other branches who REALLY enjoyed our party out here in 1998!), to consider hosting the Convention here in San Francisco again, perhaps as early as 2006!

Now, that may not sound very "early", but those deeply involved in planning and executing the event last time can attest that there is a huge amount of preparation and planning that would be required, and a substantial portion has to be done just to submit a bid, years ahead of the event itself. So, while a large number of our members are fresh from the Convention experience, it seems a good time to solicit your ideas and opinions about the key parts of these events, how we could improve them, and (of course!) who's interested in making it happen?

Closer on the horizon:

Although it seems that summer is often our quiet season, there are a number of special events coming up this summer.

Toward the beginning of August, our branch will be hosting a visit by the **Barefield Ceili Band** – delightful group of young musicians from Ireland. In my mind, this is exactly the sort of thing we should do to promote Irish culture around the Bay Area – please see the note inside for details.

Planning is nearly complete for a Ceili Mor up in the Petaluma area toward the end of June (likely the 28th). This will be a great chance to enjoy music and dancing in a new setting, and meet interested folks from all over the North Bay region. Mary McDonagh (707-765-0416) is working out details – we'll post them on our web site soon!

Slan,
Michael R.

GENERAL MEETING

The next General Meeting of the membership will be on **Tuesday, June 3rd at 7:30 p.m.** at the United Irish Cultural Center (2700 45th Ave. at Sloat). All members are encouraged to participate in the planning and discussion of our branch's activities.

SPECIAL ANNOUNCEMENTS

Children's Ceili

The summer Children's Ceili will be on **June 29th, from 4-6 PM** at the United Irish Cultural Center. Note the early start time – we hope to see families and kids of all ages.

San Francisco Free Folk Festival

This annual festival of folk music, dance and song will be June 21 & 22 at Roosevelt Middle School (Arguello at Geary, S.F.). All 80+ workshops, 12+ concerts and 3 dances are free! It is all run by volunteers - including our own Michael Murphy who will be teaching set dancing on the Saturday. See <http://sffolkfest.org> for more info.

The **Barefield Ceili Band** (from just north of Ennis, Co. Clare) will be performing in Concert at the United Irish Cultural Center on Thursday evening, **August 7th**. These young musicians (ages 12-18), many of whom are All-Ireland Champions, have performed extensively in the U.S., Canada and Europe, and have just recorded their 3rd CD. The Cooley-Keegan Branch is delighted to host them in San Francisco from August 6th -10th.

This is a big undertaking for our branch – we will need everyone's help and support. We are responsible for accommodations, meals, entertainment and performances of the Band. They are thrilled at the prospect of coming to San Francisco. In addition to the UICC Concert, they will play at local pubs, and we hope to have a few good seisiuns with local musicians and dancers. More details will be available soon.

PLEASE put the AUGUST 7th date on your calendar, and pass the word! If you are able to help in any capacity (concert, hosting, touring, etc.), please contact: Josephine Brogan: 415 681-4803; Joannie O'Leary: 415 664-6579 or Moe Murphy: 415 661-0351. Thanks.

SPECIAL REPORT

from Roving Reporter Moe Murphy:

Asked more than once..."How many SF people are here?!.. every other person I meet is from the SF Bay Area!" - almost true... 48 (yes, 48!) took the cross country flight to check out Boston for the CCE Convention this year... what a showing... some were 1st timers but most were athletes-in-training since last year's Convention... I know some, who have already booked for next years' challenge of human endurance (in Parsippany, N.J) of music, song, dancing, dancing, and more dancing and/or general mischief 'til the wee hours of perhaps the day after the next day!

The ceilis were led by Donnacha to music of the Boston Ceili band and Larry Cunningham's Ceili Band... the Banquet itself (also nearly into the wee hours!) had wonderful entertainment including 7-10 year olds doing the Kerry Set! – brilliant ...

I asked Convention first timers, after their initial schedule shock, what their impressions were, for direct quotes such as: "the music workshops were fun," "Fantastic", "I have loved it...so much fun!" "wonderful", "People are nuts, but good nuts", "Very Nice", "I enjoyed the tin whistle workshop", "Late night partying, the later the better, until the security guard came" (That's for another Scéal Eile). Lastly, a comment that we in SF can have a comparable time in our very own Plough on a Thursday night!

This is your roving reporter signing out with a few riddles....Hope to see you at the CCE Convention in Parsippany in '04, or Ottawa, '05!

**What wild woman from the Kingdom was seen/heard dancing at the Ceili's 'til the final "house"?*

**Does the line "who has the wires?" mean anything to anyone who can remember?*

**Who made their grand debut at the Banquet wearing a tres chic ensemble?*
