THE NEWSLETTER OF THE COOLEY-KEEGAN BRANCH OF COMHALTAS CEOLTÓIRÍ ÉIREANN

FROM THE CHAIRMAN

Dear friends and members,

Welcome back to all of those who traveled back east for the recent North American Comhaltas convention, held this year in Parsippany N.J. While I did not attend myself, I've received preliminary reports that overall it was a fine event, with very good dancing, the usual great turnout of excellent musicians, and some special programs and tours – despite some difficulties in dealing with the host hotel. I'm hoping that at least one or two of the attendees will be willing to share their impressions (and photographs!) with us in the next issue of the newsletter, and perhaps post a number of the photos on the web site as well. As many of you know, next April's convention will be hosted by the Ottawa branch, which should prove to be a great new venue – and there is continued interest, at the Provincial, Regional and Branch levels, to bring the Convention back to San Francisco in 2007!

So, while May often marks a time for us to collectively “catch our breath” after the flurry of spring events, this year it also brings with it the opportunity to set our sights beyond the next local seisiun or ceili – there are some major potential events looming on the horizon, and they require some attention very soon!

Initial work has already started to see whether hosting the 2007 Convention could be feasible here, since the Convention planning process has changed considerably since our successful campaign in 1998.

If the decision is made to “go for it,” we will be facing a long, sustained need for dedicated people to make it happen – clear your calendars now!

As a “practice run,” so to speak, it looks like our branch will be hosting a smaller “mini-convention” this coming Fall, which will be the first official major event of the West Region. We intend to include dancing, music, language and singing workshops, and an evening concert, and hope it will both draw Comhaltas members from throughout the West, but also serve to expose many other people in the Bay Area with Irish cultural interests to come out and join us for the weekend. You will be hearing a lot more about this event in the next few months, and I would strongly encourage anyone interested in leading or coordinating workshops to speak with Michael Duffy or myself about the plans that are developing

Slan,
Michael Riemer

SPECIAL ANNOUNCEMENTS

A Man for the Kerry Set

We of the Cooley Keegan Branch send our deepest sympathy to Helen Kelly and family on the passing of our long-time member, Neil Kelly. Neil passed away in March and will be greatly missed by his countless friends. Even through his illness, Neil's great sense of humor remained intact. Whether you were at one of the family gatherings he loved so dearly, chatting with Neil at the UICC where he was bartender, or meeting on the dance floor....there was always a story....With the most serious of expression, Neil would relate "there was this fella...." and quickly have you in stitches of laughter. He always enjoyed a laugh himself, nearly as much as a dance. We are told Neil considered himself a "borderline" case, as he was born on the Kerry-Cork border, but you would never mistake him for anything but a Kerryman. Neil and Helen were great supporters of Comhaltas and in years past, would come to each Ceili. A generation of "young ones" grew up dancing with them and watching them swirling to the Polkas of the Kerry Set. Neil and Tim Reidy were often in "cahoots" and insisted that the Kerry Set was not done properly...unless it included the Full Slide. (everyone was exhausted at that point). They are now surely enjoying the craic together.

*Go ndéana Dia grásta ar t'anam, a chara dhil
(May God give your soul grace, dear friend)*

Thank You

Each year, the Cooley-Keegan Branch joins the United Irish Societies ("UIS") in a celebration of St. Patrick's Week at Laguna Honda Hospital in San Francisco. A haven for the chronically ill and aged, Laguna Honda is a massive expanse of hospital wards and it has served many in our Irish Community. Volunteers from many organizations within the "UIS" bring patients from the wards down to the auditorium for Mass the Sunday prior to the parade. The patients are provided with Irish bread, cookies, tea and coffee along with a great assortment of Irish entertainment. This year, the Cooley Keegan Branch was delighted to have musicians Miliosia Lundy, Richard Lundy and Derrick O'Neill providing lively tunes for the set dancers. Miliosia, Rich and Derrick came across the Bay to give of their time and talents and we wish to extend our grateful thanks.
